**BEAT IT!**

Employee Assistance Programs

Building better lives,  
**one step** at a time

## Treatment Providers & Options

Beat It! is proud to offer an extensive network of qualified and vetted providers with a full range of treatment programs, counselors and professionals ready to meet your needs

### Your Options for Treatment Include....

- Residential Inpatient
- Intensive Outpatient Program
- Partial Hospitalization
- Individual Therapy
- Professional Referral

All at minimal direct cost or co-pay!  
Please consult your health plan booklet or your plan administrator for specific details

## How it Works

- 1 Contact Beat It! voluntarily for confidential assistance, advice or brief counseling and available referral options at 1.800.828.3939
- 2 A client service representative (CSR) will gather demographic information, determine benefit eligibility and direct your call to an Employee Assistance Professional
- 3 The Employee Assistance Professional will assist in problem identification, promote clarity, provide a preliminary assessment, determine needs and present a structured means of resolution
